

AOAS & ADAS TRAINING

August 1-2, 2022

In addition to the MTTIA conference, ISA-TOPE is holding training at Central Lakes College on the Staples and Brainerd campus from August 1st - 2nd, 2022 for diesel instructors.

This training is free, plus ISA-TOPE will cover the cost of your Monday night hotel accommodations and will provide a light lunch/dinner on Monday.

Diesel instructors will have three sessions of industry-led professional development training on various autonomous technologies with curriculum resources and equipment borrowing options provided by the ISA-TOPE grant.
